PROFESSIONAL SUMMARY

Junior developer to the software space. Passionate about programming and what I have learned so far. Self-taught python, learned all that I can from previous employers, and now working on teaching myself Rust. I want to learn and achieve, and as such it is important to me that I find an employer where I can do both.

Willing and able to relocate anywhere at any time, provided the employer is a correct fit.

SKILLS

- Experience with Python, PHP, and front end languages (JS, HTML, CSS)
- API design experience
- Troubleshooting and debugging
- Intermediate knowledge of AWS
- Experience with application containerization (Docker/ECS)
- Experience with Postgres/MySQL and ORMs (SQLAlchemy)

WORK HISTORY

JUNIOR DEVELOPER | 05/2018 to 06/2019

Pretio Interactive – Victoria, BC

- Maintained, contributed, and tested the companies codebase (primarily Python/Flask and front end languages (HTML/JS/CSS, with some PHP)
- Integrated new partner APIs
- Maintained client facing reporting API
- Dev-ops (testing, managing, and monitoring active and new deployments (mainly through AWS))
- Experience with Docker/AWS ECS
- Maintained internal dashboard

AD OPERATIONS MANAGER | 01/2017 to 04/2018

Pretio Interactive – Victoria, BC

- Managed all add operations
- Optimized and targeted towards favorable advertising metrics (fill rate, click through rate, viewability)
- Worked with compliance department to detect and create solutions for "invalid traffic" and other forms of disallowed advertising
- Creating and exploring new optimizations methods by digging through raw advertising data and results
- Keeping in constant communication with Account Managers to ensure ad operations for their partners are in line with their expectations and requirements

AD OPERATIONS SUPPORT | 11/2016 to 01/2017

Gravity Lab – Victoria, BC

- Worked closely with other members of the ad operations team to ensure that all tasks were completed on schedule
- Optimized and targeted towards favorable advertising metrics (fill rate, click through rate, viewability)

MANAGER/CUSTOMER SERVICE REP | 07/2013 to 11/2016

McDonald's Canada and Shaw Communications – Victoria, BC

- Unrelated to tech/programming field, however lots of experience working with and managing people
- Received formal management and first aid training
